Each month, LCC highlights a small selection of its latest products to give you an idea of the new building blocks that are available from our catalogue.

We want to make the exact building blocks you require. So if you have a need for a similar product, we will be happy to produce it for you to your exact specifications. Please let us know by email to info@liverpoolchirochem.co.uk and we'll get back to you within 48 hours.
